Hi Brad,

Thank you for the follow up to the follow up ☺. I'm copying Caroline on this note as well, I hope you get a satisfactory response soon, so you'll know one way or the other. Thanks so much for your patience and understanding, stay tuned! ☺

Hi Judy: Thanks again for all your help.

Per your suggestion, I emailed Caroline last Friday to follow-up on the invitation we sent to Secretary Zinke. I haven't heard anything back from her yet. I'm sure Caroline and the Secretary are both extremely busy but I'd still like to keep things moving forward. What would you suggest? Do you think a call might help? If so, could I get Caroline's number from you?

Best,

Brad

Good Morning Brad,

Thanks for your follow up. I sent your original request on to Caroline Boulton in Secretary Zinke's office on March 8th. I have sent her a follow up email this morning asking her to get in touch with you regarding the speaking possibility with Secretary Zinke. Caroline's address is caroline_boulton@ios.doi.gov. I hope this information is helpful ☺.

Hi Judy: Thanks again for all your assistance. I'm following up to see if there's been any word from Secretary Zinke on whether he might be willing to do an event with the Wheeler Center this year.

I hope all's well with you.

Best,

Brad

Thank you for your note Brad. I have sent your request to Caroline Boulton on Secretary Zinke's staff. Caroline was the scheduler for Secretary Zinke as she was when he was our Congressman. I'm confident that you will be hearing back from her. Please let me know if I can be of further assistance Brad.

A few years ago Secretary Sally Jewell gave a highly successful talk under the Center's banner on the MSU campus and we're hoping to offer a similar opportunity to our constituency, but this time with Montana's first Cabinet Secretary! I have attached a letter of invitation to Secretary Zinke. Please let me know if you have any questions.
